SQL	60%

EXPERIENCE

Oasis Infobyte
Dec 15,2022 - Jan 15,2023

It was of one Month, Virtual Internship. The experience was very nice and learning. I learnt the concepts of Web Development and Designing. I have done three projects as the tasks given by Oasis Infobyte.

EDUCATION

Integral University

Bachelor of Technology, Computer Science
Grade : 8.8
(Sept 01,2020-present)

PROJECTS

- **Personal Porfolio**
  - https://asifsid.netlify.app

- **Flappy Bird**

Flappy Bird is an iconic side- scrolling game where you click to avoid obstacles. I crafted every inch of this game from scratch using HTML , CSS and JavaScript.
